

## Exam Results 2018-2019

**Created:** Autumn 2019

**Principal Author:** Helen Kean

---

### Summary

In the 2018-19 academic year, 32 students took exams (including BSL exams): 12 in school and 18 in college.

This year, five of the seven students in Year 11 achieved a range of subjects including: GCSEs in Maths and Drama; EL qualifications in English, Science, PE and ICT; BSL Level 3 units.

The overall pass rates for BSL were higher or considerably higher than the National Pass Rate in all units, except 102, which was just 1% lower.

(EL = Entry Level)

### School

Three students passed GCSE Maths – two with grade 1 and one with grade 2.

One student passed Functional Skills Maths at EL3

Six students took Functional Skills English qualifications. Four passed all the components they took and two failed one or more components. Three students obtained full awards – one at EL2 and two at EL3

Two students passed GCSE Drama – with grades of 3 and 4

Four students took and passed the Entry Level Certificate in Science – all at EL3

Four students obtained an Entry Level Certificate in Physical Education – three at EL3 and one at EL2

In ICT, one student passed EL2, two students passed EL3, and two students took Level 1 Functional Skills exams, with one student passing and one failing.

Fourteen students took and passed a number of BSL units in Levels 1 – 3. One student obtained the full level 1 award.

### College

One student took and passed Functional Skills Maths at EL2

Eleven students took Functional Skills English qualifications. Six passed all the components they took and five failed one or more components. Four students obtained full awards – one at EL1, one at EL2 and two at EL3.

Seven college students all passed their courses with Exeter and Bicton colleges, with two achieving distinction and two merit

Fifteen students took and passed a number of BSL units in Levels 1 – 3, predominately in Level 2 and above. One student obtained the full level 1 award. One student did fail unit 103.
