

## EXAM RESULTS 2020/21

### Summary

Most exams and assessments were cancelled again this year due to coronavirus (COVID-19).

Functional Skills exams went ahead, as did on demand BSL exams. For all other qualifications, where sufficient evidence was available, results were issued on the basis of "Teacher Assessed Grades".

During this year, 24 students took qualifications – 16 College students and 8 School Students

This year, four of the five students in Year 11 achieved a range of subjects including:

Entry Level (EL) qualifications in Maths and PE, and BSL units.

### School

In English, one student achieved Functional Skills Level 1.

In Maths, seven students achieved EL qualifications, with two students achieving EL2 and five students achieving EL3.

In BSL, five students passed all the units they took in Levels 1 and 2.

In PE, seven students achieved EL3.

Four students achieved Construction 14-16 Level 1 at Exeter College.

### College

In English, one student achieved the full Legacy Functional Skills Level 1 award and one student failed a component so did not achieve a full award. Two students achieved the full Legacy EL3 award. Two students achieved the full Legacy EL2 award. Three students passed all components and achieved the full Reformed Functional Skills L1 award. One student failed a component so did not achieve a full award.

In Maths two students passed GCSE Maths, with grades of 2 and 4. Two students passed Functional Skills Level 2. Four students passed Level 2 Number and Measure. Two students passed Level 1 Number and Measure.

In BSL Levels 1 and 2, five students passed all the units they took, with one student achieving the full Level 2 qualification. In Level 3, four students passed all the units they took and five students initially failed one of the units, but went on to pass on the re-take. Nine students therefore achieved the full Level 3 qualification. Three students passed one of the units but failed another and therefore did not achieve the full award.

One student achieved a BTEC Level 1 Introductory Award in Vocational Studies

Two students achieved a BTEC L2 in Applied Science.

Nine students all passed their courses at Exeter College, with three achieving distinctions.
